Have You Met or Seen an Alien? by Jonathan Gray (New Zealand)

"Sorry, your son has been killed in Vietnam," Jenny Rowe was officially informed.

The grieving mother was then comforted by a friend who invited her to come to a seance and she would meet her dead son.

At the meeting, her friend was proved "right" when the "dead son" appeared before his emotional and happy mother.

They hugged and kissed and told each how much they loved one another. Then the "son" said, "I must return to heaven."

Jenny went home that night the happiest mother in the whole of North America. Sometime later, she answered a knock on the door. When she opened the door, there was her son, dressed in his military uniform.

He had just returned unexpectedly from Vietnam.

What a shock!

Her son explained how his group had been cut off by the Viet Cong and captured. The United States Army had reported them dead. But now they had been found, rescued and given an immediate pass for home leave.

“But who was it?” Jenny gasped. “Who was it that I hugged and kissed down at the local seance?”

Who was that non-human being who resembled him in every minute detail? From the smile, the dimple and even the voice? Certainly not her son!

In a few minutes I have a shock for you. But first?

HAVE YOU MET AN ALIEN?

Are alien beings walking among us? Are ETs softening us up for an outer space invasion?

Are we in danger of attack from outer space? Why are the world’s most powerful nations setting weaponry facing into outer space?

GOVERNMENTS TALK ABOUT UFOS

Japan’s Defense Minister Shigeru Ishiba is considering how his Self-Defense Forces could respond to an attack by space aliens while adhering to limits on military action under the country’s war-renouncing Constitution.

Last month Ishiba said, “There are no grounds for us to deny there are unidentified flying objects and some life- form that controls them.”

Ishiba added that if the aliens arrived in Japan in peace, a military response would not be legal under the Constitution. He also said he was concerned about communication difficulties if a UFO landed.

In London, Jeremy Lovell reports that aliens have been visiting Britain for years. The Ministry of Defense files show that the alien crafts come in all shapes, sizes, and colors but their occupants are uniformly green.

The Ministry dismisses 90 per cent of the reports as having mundane explanations and leave 10 percent with a question mark and the assurance that they are no defense threat.

Royal Air Force personnel, civil aviation pilots and air traffic controllers have also reported sightings and radar tracks that remain unexplained despite high-level investigation.

Among the most famous was the sighting on two occasions of unexplained bright lights landing near a US air base in Rendlesham Forest in southern England. Even the deputy commander of the base put his name to that report.

Not all sightings can be easily dismissed as the working of overwrought or intoxicated minds or triggered by watching movies.

Granted, trickery can make people see things that do not exist. Yet, there are some things which cannot be explained by trickery, but suggest, rather, an intelligence behind them.

And now I have a surprise for you.

ET ENCOUNTERS AND SEANCES - 5 SURPRISING LINKS

Now this may shake you. Are you sitting down?

There is a confirmed connection between UFO occupants conversing with men and women, and the various experiences associated with modern Satanism and the occult.

This is not to deny the existence of many other inhabited worlds - but to state, simply, that these are not the source of the so-called 'aliens' we are encountering.

On Monday, September 7, 1992, a television program, Inside Edition, aired a story about six people, five men and a woman, who were in the United States Air Force, stationed in Germany. They were there to gather highly secret information for the Air Force.

Then one day they suddenly disappeared. An all-points bulletin was issued to find them, capture them and return them to the Air Force authorities. Should they resist arrest, they were to be “exterminated”.

They were finally found in Florida, in a small town near Fort Walton Beach, when one of them was stopped for a minor traffic violation.

One of the men, a USAF officer, finally consented to an interview. He talked with the Inside Edition investigative reporter but would tell only a bare minimum. However, the little he did say was most revealing. It supports my contention that saucers and aliens are linked with spiritism.

The six of them had been playing with a Ouija board (a spiritualist method of “contact” disguised as a game). The message was spelled out to them that they were to go to a certain town in Florida to meet the “christ”, who would be coming in a flying saucer.

In case you didn't know, Avitar, witchcraft's “christ” is also the “christ” of the New Age movement.

Witchcraft believes that this Avitar will come in a saucer and precede the coming of the [New Age] Christ.

The connection with witchcraft is unmistakable. In Ohio witches routinely “conjure up” at their covens (meeting places) spacecraft and their aliens. Every time they do this, there is a rash of sightings. The Ohio town where this occurs is known for frequent sightings of saucers. Many photos of saucers have been taken by observers here.

The Ouija board connection is proof positive of the nature of the saucers. It appears that they emanate from the same source.

THE SPIRITISM LINKS

Their strategy is simple. Just convince humans of their “saving” mission and it is halfway to control.

Naturally, this will involve communication.

Stop right here! What you now have is the encounter of humans with non-human spirit beings.

Is this real? Indeed, it is.

At this point there is a definite connection with spiritism, demonology, séances, and other forms of exchange with the spirit dimension.

As noted, investigator John Keel observes: “The UFO manifestations seem to be, by and large, merely minor variations of the age-old demonological phenomenon.” (John Keel. Operation Trojan Horse. p. 266)

SAME PHYSICAL ABILITIES BOTH ETS AND SEANCE SPIRITS

Notice these points of convergence.

1. ALIENS APPEAR TEMPORARILY AS PHYSICAL BEINGS

Although it sounds unbelievable, here is a reality we shall have to face. Aliens can be present with us in an invisible state. They can make themselves only partially visible. Or they can appear temporarily as totally physical.

As a hardnosed skeptic I may question the reality of things I do not understand, or that I have not experienced personally.

However, there are some realities that require a lot of explaining away.

For example, spirit entities can speak. They can send messages through spirit mediums. They can slam doors, move furniture, and toss things through the air, hurl objects across a room, press hands around your neck to choke you and leave finger mark bruises as evidence.

I personally know credible people who have experienced such encounters.

Moreover, spirit entities can materialize visibly as persons, or in any shape. These are not imagination. They are definitely REAL!

The noted spiritist, Thomson Jay Hudson correctly states: “The man who denies the phenomena of spiritism today is not entitled to be called a skeptic, he is simply ignorant.”

ENERGY AND MATTER MANIPULATED

This is true both with UFO occupants and the appearances at séances. As UFO investigators Ankerberg and Weldon concur:

“It seems evident that these phenomena are produced in the same manner that other occult manipulations are produced. They involve dramatic manipulations of matter and energy. Although they originate from the spiritual world, they can produce very powerful, temporarily physical manifestations at the material level.” (John Ankerberg and John Weldon, *The Facts on UFOs and Other Supernatural Phenomena*. pp. 36-37)

Many characteristics attributed to aliens conform precisely to the biblical “spiritual yet physical” descriptions of angelic beings.

Angelic beings are mentioned on dozens of occasions in the Bible. It records that angels are spirits. However, they can appear visibly to mankind as men. And so physically real can they appear that we do not recognize them as angels.

It claims that the Legion of Lucifer (so-called “aliens”) are fallen angelic beings. And it gives us their history.

2. ALIENS APPEAR IN ANY NUMBER OF GUISES AND SHAPES

Aliens can control what we think we see. You should be aware that these entities can impersonate or take any physical appearance they choose. They have enormous mind abilities.

They have the ability to use their minds to project physical images for people to see.

As you probably know, everything in energy vibrates at different speeds. If you could use your mind to re- vibrate that energy to a different resonance, that is, to change the sound range of the body you could appear in any form you wanted.

Physical matter is the result of sound resonating energy into form. This is simply the natural laws of creation at work.

Hence the Legion of Lucifer can materialize or dematerialize. They can appear in any form - as humans, or as snarling, hideous creatures. But that is just a vibrational overcoat.

Of this you can be certain. These spirit entities do not have the ability to create something from nothing. But they can materialize existing matter. They can manufacture UFOs and juggle genes.

Abductees claim that the aliens have sometimes disguised themselves as well-known celebrities, Jesus, the pope, and even the dead spouses of the abductees.

Let a spiritualist tell us: “Sometimes this was done in order to get the cooperation of the abductee, even to the extent of having sexual intercourse with him or her. (Dr Karla Turner, “Aliens” Friends or Foes,” UFO Universe, spring 1993)

This is true both with regard to UFO occupants and with the appearances at spiritistic séances.

The Legion of Lucifer, not limited physically, as we are, can impersonate or take any physical appearance they choose. As we have already noted, they materialize inanimate objects. Spirit beings have that ability. Also, they have had thousands of years of practice at manipulating man’s senses, causing him to see, hear, feel, smell and taste things that are not real.

3. ALIENS VISIBLY CHANGE SHAPE

Just as in spiritistic séances, so in ET encounters.

The spirit being can use an apparent human form to hide his true nature. There are numerous encounters in which the spirit or alien has later changed his appearance.

Some people who have been abducted by ETs have recalled how their abductors at first looked quite human, but then changed to look like humanoid reptiles.

Changing from one shape to another is true both with regard to UFO occupants and with the entities at spiritistic encounters. The term for this is “shape- shifting”.

4. ALIENS CAN APPEAR AS BEINGS OF LIGHT

In the ancient account of Lucifer confronting our first parents, it is reported that he was able to appear as something he wasn’t. He did so by either altering his form, or by using a snake (reptile) as the medium.

Lucifer literally means “light-bearer” or “shining one”. Ancient writings report him as masquerading as a “messenger of light”. Evidently, those so-called ETs with him are not what they appear to be.

Not only do UFOs commonly appear as objects of light, but contactees have described some aliens as changing into “beings of light”. This gave the illusion of a divine encounter.

This is true both with regard to UFO occupants and with the appearances at spiritistic séances.

5. ALIENS CAN PASS THROUGH WALLS

Aliens have been reported as passing through walls. Similarly, beings also materialize through walls at spiritualistic séances.

SAME INCREDIBLE ABILITIES: BOTH ETS AND SEANCE SPIRITS

These “spiritual yet physical” characteristics of aliens enable us to understand why the Legion of Lucifer are able to perform such incredible physics-defying feats in their masquerade as aliens.

Certainly, so many reports of encounters with aliens resemble ancient stories and descriptions of “demons”. Many researchers have noted this similarity.

ALIENS POSING AS EXTRA-TERRESTRIALS

However, you may well take note. Do not be surprised if they are materializing as various life form shapes to push an evil agenda. There is strong, documented evidence that these are agencies posing as something they are not.

They make claims of having arrived from Venus, the Pleiades, or some other part of the universe. Sometimes they claim to serve a Higher Being, or to be reincarnated humans. They voice all sorts of claims.

But there is evidence, again, that they are not what they claim, nor do they come from where they claim.

WE’VE BEEN WATCHING YOU?

One May morning in the United States, two sisters, Helen and Betty Mitchell, had been shopping. And as they stopped off for a coke, two men in grey suits approached them.

They introduced themselves as from a large space craft which was orbiting the earth. Their names were Elen and Zelas.

“For the past 8 years, our people have been closely watching you,” they told the girls. “In fact, your progress has been watched since you were born.”

The girls sniggered. “Oh, come on, is this some sort of joke?” they asked.

“Very well, how about this?” said one of the men. And he began to tell them things about their family life that only the girls would know about.

“You have been chosen as contacts “channels,” said one of the men. “Through you we plan to give certain information to people on earth. We’re here because of brotherhood and science. We’re very concerned about man’s nuclear weapons program and its pollution of your planet. We are on a mission of mercy to warn earth’s inhabitants.”

There appeared to be kindness and warmth in the men’s eyes. They talked for a little over two hours. Then they promised to contact the girls again.

Later, outside of St Louis, Helen was taken to a circular craft, then up to the “mother craft”.

They told the girls that the Space Brothers wanted to prepare the people of earth to accept their existence. They wanted to guide the people to proper understanding, so peace would be possible.

GOOD AND BAD GUYS

The girls were warned of crafty and mischievous aliens who abduct people. There was a struggle between the good and the evil aliens, it was said. “We, the good guys,” they said, “are being opposed by an evil force.”

Then they asked the girls a favor. “We want you to prepare a book for us. We want you to expose the whole untruth connected with the story of the fallen angels.”

Shrewd move, “Space Brothers”! Take the attention off the Legion of Lucifer and instead focus all attention on non-existent “visiting aliens”.

Disarm people and make them believe that evil is good. What a charade!

These two aliens then made some predictions, which (remembering these were prophesied in 1957) have mostly turned out to be false. The predictions largely concerned how things on earth would be.

These “aliens” can appear with Eurasian features, with Caucasian features, as long and spindly, or short, and pumpkin headed.

Others are somewhat large-headed, with small, thin slit-like mouths, small nose slits, no ears to speak of and large slanted or round eyes. These are reported in about 90 percent of abduction cases.

These are the so-called bad guys, who perform surgery on abducted humans.

The rest of the ETs appear as peace-loving, concerned and interested in our welfare. They claim that their master has sent them to warn the world to change its ways, or disaster will befall us. They can be very convincing.

Sometimes they will confess their real identity. Other times they will deny who they are.

Article by Ray Daly
Comments by Laura Lee (Bismarck, North Dakota)

This is a false teaching by Ray Daly. This article by Ray is a work against Christ and not a help to Him.

You are right as far as 2Ti 2:15 and Acts 17:11 goes. We all need to rightly divide the word of truth and search the scriptures daily to see whether those things are true. But we need to do that by taking all the scriptures into account and not just the ones we like.

2Ti 2:15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Act 17:11 These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.

I took note of this statement by Ray "There are a few Scriptures in both the OT and the NT, that shows that the citizens did not have to assemble." However, Ray doesn't list any of those scriptures.

The problem is that if you are going to teach that you do not have to assemble on the Sabbath then you need to prove that with scripture otherwise you are not rightly dividing anything nor are you telling the truth.

I know of no scriptures that tell us not to assemble on God's Sabbath. There may be exceptions to that due to health and having no one to assemble with but the command from God is to assemble on the Sabbath. There is also streaming and phone hook ups out there for those who are alone.

Exo 31:16 Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for a perpetual covenant.

Within Ray's own article he uses a scripture that clearly shows we are to keep the Sabbath and to observe it.

Exo 20:8 Remember the sabbath day, to keep it holy.

According to Strong's Concordance one of the meanings of "Remember" is to "Keep" and the word "Observe" in that same verse also has a meaning of "Keep" but Ray concludes in regard to this scripture "Look up the word "remember" and see what it says. And ask yourself if the definitions you read say anything about having to even "observe" the seventh day.

In other words, Ray concludes that not only do you not have to assemble for the Sabbath but you don't even have to "observe" it.

Lev 23:1 And the LORD spake unto Moses, saying,

Lev 23:2 Speak unto the children of Israel, and say unto them, *Concerning* the feasts of the LORD, which ye shall proclaim to be **holy convocations**, *even* these *are* my feasts.

The "New" Church of God Messenger
A Newsletter for the People of God
April 16, 2022 --- Issue No. 63
Special Edition

Lev 23:3 Six days shall work be done: but **the seventh day is the sabbath of rest, an holy convocation**; ye shall do no work *therein*: it is the sabbath of the LORD in all your dwellings.

Lev. 23:3 is talking about the Seventh Day Sabbath. The words Holy Convocation is talking about assembling on the seventh day Sabbath. The Seventh Day Sabbath is considered a Feast of the Lord. And if you look in Lev. 23:1 It is the Lord who spoke to Moses and told Moses to say this to the children of Israel.

So, my conclusion is that Ray is teaching a false doctrine when He doesn't see any command to assemble on the seventh day Sabbath and even goes as far as to question whether it should even be observed. The assembling of ourselves on the seventh day Sabbath is commanded by God Himself in His Law.

Heb 10:25 Not forsaking the assembling of ourselves together, as the manner of some *is*; but exhorting *one another*: and so much the more, as ye see the day approaching.
